$ Chopstick Wrapper
Designed on 7/28/00 and diagrammed in 7/29/00 - 8/1/00;
Inspired by chopstick wrapper discussion in origami-L mailing list.

1. Start from 3x7 rectangle or US dollar bill; Washington face down is my preference if from US dollar bill; Leave a gap between upper edge and lower edge. The gap is about the same as border width of dollar bill.
2.

3. Fold and unfold

4. Unfold

5. top layer only along existing crease
6. Unfold

7.

8. Fold along existing crease

9. Mountain fold

10. Mountain fold again

11. Tuck into pocket

12. Finished; 'ONE DOLLAR' is shown on the lower stripe if a US dollar bill is used.
