

# Hanging Folder Tab

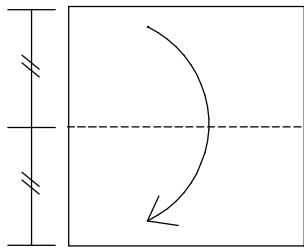

©2001 Sy Chen

designed on 8/22/2001 and diagrammed on 8/23/2001

The idea came to me because I could not find any extra tab holder in my office.

8 cm square makes 8 cm wide model

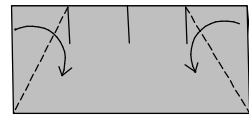

1. Start from square with tab color side facing up; 3 inch heavy weight paper makes a perfect working tab

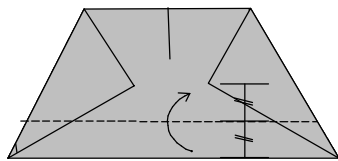

2.

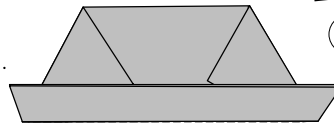

3.

4. Enlarged

5.

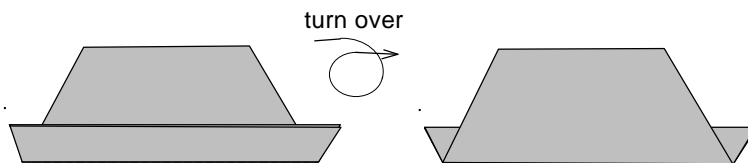

turn over

6. Finished

\* Variation I - seamless surface

\* Variation II - framed display
